### **Roger Simoes**

Asphalt Division Manager Joe Marrone is pleased to announce that Roger Simoes has been promoted to Area Superintendent in the Hot Mix Asphalt Division effective March 3, 2009. As Area Superintendent, Roger will be responsible for the operational performance of the New Britain, Waterbury, Newtown, and Danbury asphalt plants as well as the Danbury Stone Terminal.

Roger brings twelve years of hands-on experience to his new position having operated many of Tilcon's asphalt plants during his tenure. For the last eight years, he has done a superb job operating the Danbury asphalt plant where he has developed great relationships with many of our customers in the that area. He has also earned the respect and admiration of his fellow employees as well as that of Tilcon management.

Roger resides in Naugatuck with his wife Ana and his two children Justin and Anissa. Please join me in congratulating Roger on his new position and wishing him the best of luck in his new role.

### **Jack Stringer**

After **Forty Five** years of service, **Jack Stringer**, Newington Quarry Superintendent, has announced his retirement effective Friday, March 27<sup>th</sup>.

Jack's broad knowledge of our industry, and his dedication, loyalty and good judgment have earned him the respect of all those who have worked with him over the years.

Joe Donaroma, currently New Britain Quarry Superintendent, will take over Jack's responsibilities in Newington, and Ed Sakl will take over as the New Britain Quarry Superintendent.

Please join me in wishing Jack well in his retirement – *Gary Wall 3/24/2009*
